

BRIBERY NEVER PAYS!

NO Deal or Contract is Worth Jail Time!

We strictly prohibit corrupt payments. Period. We only do business with third parties that share our commitment to integrity and compliance. Our vendors are screened and monitored. Why? Because over 75% of companies that have been penalized for violating anti-corruption laws had third parties who facilitated the corrupt payments.

If you have any questions or see something suspicious, please contact the Hotline. You may provide information anonymously to the Hotline where allowed by law.
