

**Chintan Sopariwala – Executive Vice President,
Chief Strategy and Execution Officer**

Chintan Sopariwala joined Tenneco in November 2022 as part of the company’s newly created Office of Strategic Execution. He is a member of the company’s executive leadership team and is responsible for developing and implementing strategies for improving operational efficiency and achieving accelerated growth.

Sopariwala is a business leader with a strong track record of driving revenue growth and margin improvements through innovation, operational effectiveness and a people centric culture.

Before joining Tenneco, Sopariwala spent 11 years with Navistar Inc., a leading manufacturer of commercial trucks and school buses, advancing through positions of increasing responsibility, most recently as group vice president and general manager of Navistar’s aftermarket parts business. In this role he had complete P&L responsibility for the \$2.2B+ aftermarket business including sales, product development and operations.

Prior to Navistar, Sopariwala was with diversified industrial conglomerates such as Ingersoll Rand and United Technologies Corporation. Chintan has been a key-note speaker at many industry conventions and has also served on the board of Magnum Power Products, a re-manufacturer of diesel engines and components.

Sopariwala holds a bachelor’s degree in mechanical engineering from National Institute of Technology, Surat – India, a master’s in mechanical engineering from Purdue University and an MBA from Texas A&M University.
