

Elizabeth Good
Executive Vice President,
Environment, Health, Safety and Security

Elizabeth Good joined Tenneco in February 2023 as Tenneco’s Executive Vice President, Environment, Health, Safety and Security. She is a member of the company’s executive leadership team with responsibilities including partnering with our business groups to ensure safe and environmentally responsible operations of our facilities and overseeing the health and welfare of Tenneco’s 73,000 team members worldwide.

Good’s background includes more than 25 years of experience in the fields of Environmental, Health, Safety, Security and Product Stewardship. She joined Tenneco from Ferro Corporation, where she served as Global Director, EHS and Product Stewardship. Prior to her position at Ferro, Good held EH&S leadership positions with companies including Momentive Quartz Technologies, MTD Products, VAC Magnetics (formerly known as Vectra Co.) and GrafTech International.

Good holds a bachelor’s degree in environmental health, with areas of emphasis in environmental protection and Russian, from Bowling Green State

University in Bowling Green, Ohio. During her career, she has worked in ISO, Responsible Care®, and Lean Manufacturing environments and has her Six Sigma Black Belt certification.
