

**Flávio Guacelli – Executive Vice President,
President Performance Solutions**

Flávio Guacelli is President of Tenneco’s Performance Solutions business group and a member of Tenneco’s Executive Leadership Team. He is responsible for the Performance Solutions group’s five business units – Monroe Ride Solutions, Öhlins Racing, Braking, NVH Performance Materials and Systems Protection.

Guacelli joined Tenneco in December 2023 from Hitachi Astemo (formerly Chassis Brakes International) where he served as president of the company’s Americas brake business unit.

Guacelli began his career as a senior product engineer with Ford Motor Company in Brazil before leaving the auto industry for positions of increasing responsibility with DuPont and Groupe SEB – North America. He returned to the automotive industry and held executive leadership positions with FCI Electronics, Constellium and Aptiv/Delphi before joining Hitachi Astemo in 2019.

Guacelli holds a bachelor’s degree in agricultural engineering from the University of Delaware and an MBA from Fundação Getulio Vargas in São Paulo, Brazil.
