

## Board of Directors

**John S. Stroup** is an Operating Advisor to Clayton, Dubilier & Rice since March 2021. Mr. Stroup is the former Executive Chairman of Belden, Inc. ("Belden"), a global supplier of specialty networking solutions built around two global business platforms – Enterprise Solutions and Industrial Solutions – from May 2020 to May 2021. Prior to his role as Executive Chairman, Mr. Stroup had been the President and Chief Executive Officer. He has also been a member of the board of Belden since 2005.

Prior to joining Belden in 2005, Mr. Stroup was employed by Danaher Corporation, a manufacturer of professional instrumentation, industrial technologies, and tools and components. At Danaher, he initially served as Vice President, Business Development and was promoted to President of a division of Danaher's Motion Group and later to Group Executive of the Motion Group. Prior to his time at Danaher, he was Vice President of Marketing and General Manager with Scientific Technologies Inc. In addition to Belden, Mr. Stroup is a director of Zurn Water Solutions Corp. (formerly known as Rexnord Corporation) and Crane Co. Mr. Stroup has been a director of our company since 2020.

His experience in strategic planning and general management of business units of other public

companies, coupled with his in-depth knowledge of the Company, makes him an integral member of the Board and a highly qualified intermediary between management and the Company's non-employee directors. He received his Bachelor of Science degree in Mechanical Engineering from Northwestern University and an MBA from the University of California-Berkeley
